

## **STATEMENT OF PURPOSE**

**NAME:** D. CHAKRAVARDHAN REDDY

**DATE:** 3/11/2016

I D. Chakravardhan Reddy pursuing iMTech 3<sup>rd</sup> year in International Institute of Information Technology Bangalore is actually eligible to apply for the SV.CO Postpaid Option as I meet the stated requirements. My Father is working as a farmer in my home town and his annual income is less than 3.5 lakhs. My Mother is a home maker and she is not working. The value of education is something that I have understood since a very young age. Neither my parents have opportunity to attend college, and faced many problems in personal and professional lives because of this. They made a commitment early in my life to do everything within their power to instill in me a love of learning and an understanding of the importance of hard work and dedication. Even though money has always been tight because of their love and sacrifice over the years, I have been able to devote time and energy necessary to academic accomplishment. I am really very thankful to scholarship committee from the core of my heart for introducing these scholarships for the students.

If I selected for this scholarship, I will continue to apply the same diligence to my studies as I have to this point, making education and service to others my top priority. I will represent your organization well during my 6 months' course in SV.CO and beyond. Thank you in advance for your consideration.

Sincerely,

Name and Signature.
